Brio® where ideas unfold

Brio®, based in the USA, Australia and UK, is focused on bringing adventurous architectural ideas to life, converting the conceptual thoughts of our customers into exciting reality.

Our aim is that Brio® be seen as the innovative leader in sliding and folding door hardware – a leader in design and quality.

Brio® epitomises our core values. Energy. Spirit. Vitality. It also stands for the way we approach the discovery of new solutions for our customers.

Brio®'s R&D department brings a strong design element to the business, developing and testing new concepts using the latest CAD and modelling software.

The company embraces the concept of generic and private label enterprises and recognizes the need for specialization in certain circumstances and markets.

Brio, part of the Allegion family of brands.

Policies and documents

The purchase of Allegion products is governed by the Allegion Authorized Seller Program. For program terms and conditions, and other program details, please visit: www.allegion.com/AuthorizedSeller.

For Warranty information, visit www.briousa.com or contact Customer Service at 1-585-319-5599.

Sustainability

Allegion can provide sustainability documentation for select products, ensuring transparency and adherence to environmental standards and building certification programs such as LEED and Living Building Challenge. This documentation includes detailed information on the sustainable practices and materials used, helping you make informed decisions that align with your sustainability goals.

To view the full list of products with declarations, please visit: <https://us.allegion.com/en/resources/sustainability.html>.
