

# D100/D200 Series

Grade 1 Heavy Duty & Grade 2  
Medium Duty Deadbolts

## Overview

Deadbolt locks provide an extra measure of protection against break-in when used as a supplement to an existing lockset. In applications ranging from military and government projects to multifamily housing, retail and restaurants, Falcon deadbolts deliver superior performance and the flexibility of multiple keying systems. Our full line of D100 Series Grade 1 and D200 Series Grade 2 locks feature interchangeable cores that are compatible with all SFIC products from other manufacturers. D100/D200 Series will fit on virtually any door due to an innovative, adjustable backset design; and they're backed by a 10-year limited warranty<sup>1</sup>.
