

LCN, Von Duprin, & Ives

Powder Coat Finish Guide

- Over 180 custom finishes
- Superior protection with a tough, chip resistant finish
- Corrosion resistance certified to exceed 100 hour salt spray testing

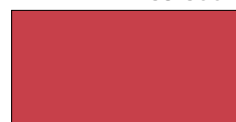

Series 149: Suitable for interior and exterior applications

Series 138: Durable (SD) powder coating with weather resistant properties

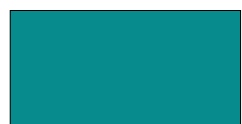

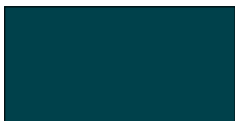

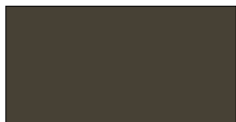

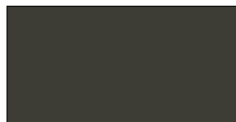

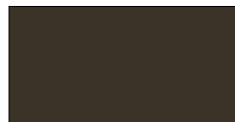

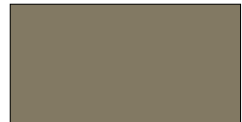

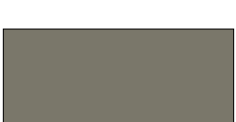

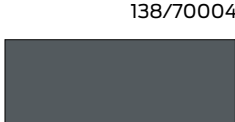

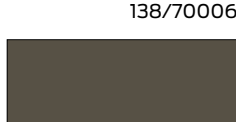

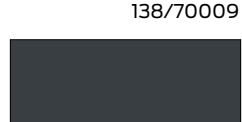

All colors listed are available for LCN, Von Duprin, and the majority of our Ives products, though those outside our standard finish offerings listed in each brand's catalog may come with an additional fee and have extended lead times. The RALs shown are a semi-gloss finish, except for those with an * which are a matte finish.

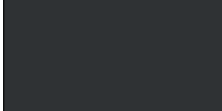

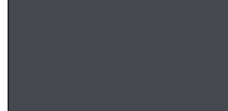

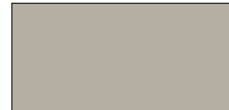

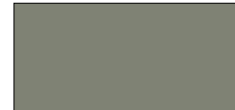

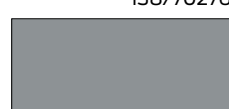

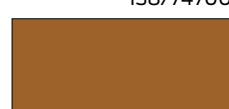

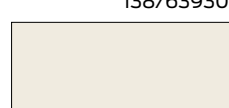

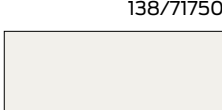

Please reach out to your Allegion representative or our customer support team with any questions regarding custom finish options.
