- General Notes:
- * indicates this is a new Zero Everyday product (launched Q3 '25)
 - New products in the Zero Everyday line available in standard lengths
 - Gold anodize option is offered for select Zero Everyday, but not shown for the following models: 8655, 663
 - Pemko and NGP do not offer gold anodized as a standard finish offering for equivalent models
 - Pemko standard black finish is black satin powder vs Zero black anodized finish for equivalent models
 - NGP does not offer black as a standard finish for equivalent models
